REMARKS / ARGUMENTS

By this response, the specification has been amended herewith, to comply with the requirements set forth in the Notice and to further prosecution of the present application. The Applicant has amended the Brief Description of the drawings to include new paragraph [36.1], as seen in the preceding section. Support for the new paragraph 36.1 can be found in existing paragraph [55] of the specification. Therefore, the Applicant respectfully submits that the amendment to the specification does not enter any new subject matter.

CONCLUSION

The Applicant believes that the specification is in condition for allowance. If the Examiner disagrees, the Applicant respectfully requests a telephone interview, and requests that the Examiner telephone the undersigned Attorney at (312) 775-8176.

The Commissioner is hereby authorized to charge any additional fees or credit any overpayment to the deposit account of McAndrews, Held & Malloy, Ltd., Account No. 13-0017.

Respectfully submitted,
